New Information for 2021

***All vendors are requested to supply hand sanitizer, bacterial wipes or bacterial spray which is to remain at your table for the duration of the event.**

*** Please keep in mind, while being on school property, we will be following CDC guidelines set forth for the School District. We will be sending out the guidelines closer to the event.**

***Due to circumstances, some activities will not be available this year. Please let us know what your business will be partaking in at your booth.**

-The Football and Band Boosters will be supplying food for purchase at the concession stand. The proceeds will benefit the Palmyra School District.

-If your business/organization is choosing to supply food, please coordinate this with us 😊

Although we would like to provide each vendor with their location request, the event has become too large to do so. There will be six feet between each vendor's site in the Stadium and in the upper practice field. This will change the number of sites inside the Stadium.

- ✓ No electric will be provided at this location
- ✓ Stadium Bathrooms will be open for the day
- ✓ All vendors will be located outside
- ✓ There will NO longer be any type of product sales at this event.
