People often thank the Officer making contact with them. This year we wanted to pass along some of those **“Thank you”** messages. Below are just a few of the quotes (some paraphrased) from people who received gifts for their children this year. The generous donations that come from citizens and local businesses make this Program work. We (The Officers) just get the items where they need to go.

“My daughter and I truly appreciate all the kindness that you and everyone at the South Londonderry Police Department, have done over the years by including us in your Christmas Gift Giving....”

Lebanon County Resident

“If it wasn't for you guys my kids wouldn't have gotten anything for Christmas this year.”

Lebanon County Resident

“Thank you so much. I just can't afford anything this year. It's been tough. I really appreciate this.”

Dauphin County Resident

“Thank you so much. I can't even tell you how much this means to us.”

Lebanon County Resident

“A very big thank to you and everyone involved in making sure our family's holiday was bright.”
